EVERY KID OUTREACH

Every Kid Outreach has been serving students from the historic town of Eatonville, FL and surrounding communities for more than 26 years. Our mission is to equip students in at-risk communities to excel academically, be physically, spiritually, and emotionally healthy, to be of good character and to have the tools needed to become successful and productive citizens. EKO empowers our students through four key programs.

- **EKO on Campus**

- o Mentorship on local middle & high school campuses via one on one and/ or group leadership courses

- **Life Long Leadership (L3)**

- o Competitive leadership program for middle and high school students. Each student receives a mentor as well as participants in community service, attends weekly leadership classes, and fieldtrips to explore local businesses. In March, students who have successfully participated in the program, go on a week long college tour.

- **EKO Camp**

- o Twice a year, we take over 150 students to Southwind Camp in Ocala, for a weekend of escaping the pressures of everyday teen life, and allowing students to simply be a kid while having the opportunity to grow their relationship with Christ.

- **5th Quarter**

- o Every Friday night during the school year, 5th Quarter is where you can find students from all over the area, heading to Eatonville to play basketball, games or to just hang out in a safe environment with EKO.

One of the major functions of Every Kid Outreach, in addition to mentorship, is serving as the liaison between students, home, and the community, we are the “translators” between these different, but important aspects of a student’s life.

This June we will host our **2019 Empowerment Super Bowl** and we hope you will join us! This event will raise funds to support Every Kid Outreach Programs, including *sending 30 students on our Cultural and Educational tour to explore post-secondary options , as well as learn through cultural experiences.* Just this past year, we took students to Washington, D.C. where students visited college campuses as well as toured the Nation’s Capital, the National Museum of African American History and Culture, the home of Frederick Douglas and more!

Together we can continue to make the impact in the lives of more students in Central Florida!

There are several ways to participate in this event. You can grab a team of six and jump on in, donate an item to be raffled off, or become a sponsor. Participants will be charged with meeting a fundraising goal amongst your team. Teams will receive 2 hours of bowling, shoes, pizza and drinks. Donating an item for our raffle is a great way to help raise funds while gaining exposure for your product or business. Sponsors will have a great opportunity to get in front of local community members and business leaders to promote your brand. Sponsorship levels and information are included in this packet. Please feel free to take a look and contact Development Manager, Ashley Baker, at abaker@empowereverykid.org, with any questions you may have. **We look forward to empowering students together, with you!**
